On September 15, 1963, a Klan-planted bomb went off in the 16th Street Baptist Church in Birmingham, Alabama. Fourteen-year-old Carolyn Maull was just a few feet away when the bomb exploded, killing four of her friends in the girls restroom she had just exited. It was one of the seminal moments in the Civil Rights movement, a sad day in American history . . . and the turning point in a young girls life. While the World Watched is a poignant and gripping eyewitness account of life in the Jim Crow South: from the bombings, riots, and assassinations to the historic marches and triumphs that characterized the Civil Rights movement. A uniquely moving exploration of how racial relations have evolved over the past 5 decades, While the World Watched is an incredible testament to how far weve come and how far we have yet to go.
