

## Liberate Hawai'i!

Filesize: 7.54 MB

### ***Reviews***

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

*(Robyn Nolan)*

Goose River Press, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "If the government of Hawaii had not been illegally overthrown by the U.S. Marines through a classic act of Manifest Destiny and American-style gunboat diplomacy, Hawaii would still be an independent sovereign nation today. Notwithstanding a series of clever illegal moves by the U.S. government, Hawaii cannot be considered a legally bona fide state of the United States. . . . In 1959 the U.S. falsely informed the U.N. that Hawaii had become the 50th state of the United States after an illegal plebiscite. . . . Jon Olsen . . .convincingly points out that the fraudulent claim of Hawaiian statehood is immoral, illegal, and unconstitutional." -The late Thomas H. Naylor, Professor Emeritus of Economics, Duke University "Jon Olsen is a warrior of truth, proclaiming a vision of Hawaiian sovereignty. He is not alone. The Hawaiian Resistance that began sweeping across the islands forty years ago has become a storm of new consciousness. Where will it blow? Olsen charts that storm's history and possibilities. For readers whose eyes can see a radically free Hawaii, here it is." -Jim Douglass, author of JFK and The Unspeakable ." . .you are an incredibly gifted writer and inquiring spirit. Congratulations on such a difficult achievement The research is impressive and your writing cohesive and erudite without being pompous." -Belva Ann Prycel accomplished artist and author of memoirs Passage, Times and Tides, and Water Tales.
