By Frederick Whittlesey

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Memorial to the Legislature of the State of New York, Upon the Effects of the Passage: Of the Trade of the Western States, of the Trade of the Western States A Convention of Delegates from several of the western Counties of this State was held in, the City of Rochester, January 20th, 1845 to consider of the effect of the passage of the trade of the Western States through the Welland and Oswego Canals upon the income of this State and the interests of its citizens. The Convention was numerously attended by a highly respectable body of citizens, representing the producing and industrial classes, and a mass of facts bearing upon the subject which occasioned the meeting, was submitted to its consideration. The result of the deliberations of that Convention are embraced in the following Resolutions, which were unanimously adopted as expressing the views of its members: Resolved - That as the people of this State constructed the Erie canal as a channel for the trade of the Western States, and in reasonable expectation...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
