Open Waters Publishing, United States, 2014. Paperback. Book Condition: New. 251 x 147 mm. Language: English . Brand New Book. In this collection of brief and very personal essays, eleven pastors and preachers sound off on the issues that get them so worked up they can t shut up! These aren t impersonal position statements, they are passionate arguments, rooted in faith, written from very personal perspectives. From pretending racism is over, to churches in denial about addiction, these writers address social issues and justice concerns that you probably have strong feelings about, too. What makes these pastors so mad? Well, there s Christian homophobia, using Jesus for political purposes, sloppy thinking about immigration, contempt for religion, income inequality . . . and more. Following each essay, you ll find several provocative questions for discussion or reflection.
