Fingers Flaherty had them all the time. He lived the blues and sang about his every ache. Flaherty s blues gave him nothing but hardship, sore feet and a shattered heart. Every one of his songs told a fraught story. His characters walked many a dark path and twisted lane on their troubled journeys. And now they get to share their tales, wrapped in dark humour and a blanket of blues. A collection of short stories inspired by Flaherty s songs, A BLANKET OF BLUES presents its varied cast at turning points in their lives. Some yearn for change, whereas others seek self-improvement. And others want nothing more than a little peace of mind, even for just a few hours. Each character struggles through the daily conflicts and irritations of his or her life, fighting back with proud confidence, caustic wit, mule-headed defiance and a dash of reckless optimism. Each story raises its own questions. How can Moses make a connection with any woman when they all think he s an alien microbe?...
