Quarantine

By Greg Egan

Orion Publishing Co, United Kingdom, 2008. Paperback. Book Condition: New. 197 x 130 mm. Language: English . Brand New Book. It s late in the 21st century and bioengineering is now so common that people are able to modify their minds in any way they wish. It is an era which has been shaped by information systems so vast that security, in any form, is easily breached. Now you can be whatever you want to be, and do whatever you want to do. On Earth anyway. One night, thirty three years ago, the stars went out. The Bubble - a perfect sphere centred on the sun - appeared in the sky, isolating the solar system from the rest of the universe. For thirty-three years, humanity has lived with the religious cults and terrorism which spawned in the wake of the darkness. We are now alone. Humanity has been cut off. Quarantined.

Reviews

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % *in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.* -- Curtis Bartell

The book is straightforward in study better to comprehend. It is really simplistic but unexpected situations in the fifty percent of the ebook. Its been written in an exceptionally simple way which is simply after i finished reading through this ebook in which basically altered me, affect the way i really believe.
