After more than thirty years, the legendary Eagles are still America s biggest-selling rock band ever! This much-anticipated album sees them returning to the studio for the first time since 1979, with the breezy west-coast rock that made them so successful back then. All 20 songs are included in this songbook, from the bestselling single How Long to the epic ten-minute title track, a kind of Hotel California for the new age, full of outrage at Bush s America. The album has enjoyed global success, going seven times platinum and winning the band Brit awards for Best International Album and Best International Group .
