

The Christian Year: Its Purpose and Its History (Classic Reprint)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

THE CHRISTIAN YEAR: ITS PURPOSE AND ITS HISTORY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Christian Year: Its Purpose and Its History The lack and the need of a popular manual on the Christian Year were forced on the attention of the writer when he undertook to teach a class in the Newark Diocesan Training School for Teachers. His aim in the present volume is to provide such a book as an intelligent teacher would desire, giving, not merely the bare facts concerning the different festivals and fasts, but also some account of the practical and devotional reasons which the whole Catholic Church has had from the beginning for adopting the system of her Christian Year and Calendar. So far as defence or apologia is concerned. Hooker with his lofty philosophical treatment of the subject is of course unexcelled. But Hooker is not accessible to the average student, and his somewhat antiquated style, in spite of its nobility and charm, is not likely to attract the ordinary reader of to-day. There are only a few monographs in English on the Christian Year, intended chiefly for candidates for Holy Orders, of which the latest and most useful are The Church Year and the Calendar by the late Bishop Dowden of Edinburgh, and The Liturgical Year by the Rev. Vernon Staley. Of the latter there is an abridgment entitled The Seasons, etc., of the Christian Year. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
