Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Homes in Los Angeles City and County, and Description Thereof: With Sketches of the Four Adjacent Counties; Being an Answer to Inquiries Concerning Their Progress, Attractions and Resources Before proceeding directly to the main object of this work, it would seem natural to preface it with a brief glance at the industrial condition of the great State of which it is a part. California. The State of California has been said to be made up of a series of wonders! To a great extent this may be said to be true. The Southern portion of California for a long time has been a kind of terra incognita, and a fruitful locality for suggestion and inspiration - a treasury for news-writers and story-tellers. The telegraph, postal facilities, steamships and railroads, have done away with the field of fiction, and left the book-maker and letter-correspondent to the limits of facts and the reasonable deductions therefrom. Not until very recently does it appear that this part of the State has attracted more than a mere casual observation or...
