Conundrum Press, Canada, 2012. Paperback. Book Condition: New. New.. 140 x 107 mm. Language: English . Brand New Book. A hypnotist uses his powers for evil instead of good. A time-traveller goes back in time to kill Hitler as a baby. In this parodic, faux-noir collection, the award-winning and multi-talented Sherwin Tjia concocts B-movie narratives filled with serial killers, mafia soldiers, bodyguards, cops and kidnapers encountering betrayal, femme fatales, and more plot twists than a Moebius strip. The first in the Cinderblock Books Series, Serial Villain emulates the garish and lurid look of noir posters from the 50s while referencing the Moby Books Illustrated Classics for kids in which every right hand page had an illustration and a pullquote from the story underneath it. Hurtling along in quick cuts and abbreviated action, these 5-minute blockbuster movies up the ante with each diabolical development, practically with every paragraph. Immerse yourself in this perpetual dusk, where sex and violence party beyond redemption, where pathetically insignificant individuals take their revenge upon the world entire.
