REMEMBER. June 15-17 IF you were studying by an old smoky oil lamp and suddenly modern, sun-like MAZDA lamp were thrust into the room, the con-trast would be dazzling. That instant would unfold the result of thirty yearsdevelopment, research and manufacturing in electric lighting. And this development commenced with Edisons first lamp)--hand-made, when electricity was rare. The General Electric Company was a pioneer in foreseeing the possibilities of Edisons invention. Electric generators were developed. Extensive experiments led to the design and construction of apparatus which would obtain electric current...
