Excerpt: .has been the greatness thus proved, even in the recent war--it is less a matter of congratulation to human nature than any other form of prowess. Yet who can withhold admiration at Taylor s ever-readiness to engage against whatever odds, and with whatever materials, and his effectual coups de main--and that attainment in military science with which Scott predestines (if one may so speak) his results, as if their occurrence was of mathematical necessity. An ascription of a different kind may be claimed for the generals of Mexico. The productions of their pen, professional and diplomatic, afford a most classical treat. To wield the set phrase of speech,¹ And uncouth politics to measures mould, are among their refined accomplishments, and often marked with an artistic excellence of the highest order.t The reader need not be surprised at the brevity of the observations that have...
