Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 260 pages. This book starts at the beginning, boiling wealth, in all its forms such as life, happiness, knowledge, money etc. , down to managing limited resources well. The ultimate goal of this book is to help you become independently wealthy, when you can live off of your investments alone. Built into this e-book are full-color images of my 6 Excel spreadsheets not available in the paperback version. An email address is provided for new-book purchasers to receive a Free interactive Excel copy of these spreadsheets, called Your Wealth Plan. Your Wealth Plan is designed to be quick- and -easy to understand and use even if you have never used a spreadsheet before. Empower yourself by simply updating a few blue-cells - the result is your complete personal wealth plan. Play with it, save it, print it, reference it, live it! Instead of just reading how-to, you can now apply your wealthy mindset as you advance through each chapter. Your Wealth Plan includes: Your Wealth Now, in a Nutshell, Wealth Creation Budget, mortgage Amortization Table, plus Time and Compounding savings tables. You also have my unique investment strategy called Value Stock Selector, with various Value Calculators and the value perspectives of legendary value investors Benjamin Graham, Warren Buffett and Peter Lynch. Various thought provoking Company and Global Value Perspectives show how we as individuals, businesses, nations and as a global economic community all need to start questioning how we think and act about value, money and investments going forward. We need to better recognize opportunities, while avoiding risks in order to survive and succeed together. The last chapter provides my business, financial and personal background. My Value Perspectives is a revealing portrayal from child to adult, sharing my dad's wealth lessons. I've owned small retail businesses, to...
