The Shed Blood of Jesus: Supreme in Nature and Matchless in Benefits; A Revelation of Divine Ingenuity

By Dr Godfrina McKoy

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Many great minds have aired their opinions on the age-old debate about the relationship between science and the written Word of God. For those who sit on extreme sides of the fence, there is no middle ground. Contrary to these extremes, my career as a biological scientist and my faith as a Bible-believing Christian mean that I have the privilege of seeing things from both sides of the fence. I find more often than not that scientific data complements the written Word of God. Blood from a scientific and scriptural perspective, is one such example. Blood from a Scientific Perspective: Science has unravelled many functions of blood that are vital for mankind's natural life. We now understand why blood dyscrasias and disrupted blood flow to cells and tissues in the body, have health consequences that range from minor ailments to major organ damage, and even death within minutes. Blood from a Scriptural Perspective: Blood is just as important for our spiritual life. Long before the age of science, the God of the Bible ensured that all, who...
