Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****. Classics The Invisible ManA Grotesque RomanceBy H. G. WellsThe Invisible Man is a science fiction novella by H. G. Wells. Originally serialized in Pearson s Weekly in 1897, it was published as a novel the same year. The Invisible Man of the title is Griffin, a scientist who has devoted himself to research into optics and invents a way to change a body s refractive index to that of air so that it absorbs and reflects no light and thus becomes invisible. He successfully carries out this procedure on himself, but fails in his attempt to reverse it.While its predecessors, The Time Machine and The Island of Doctor Moreau, were written using first-person narrators, Wells adopts a third-person objective point of view in The Invisible Man.A mysterious man, Griffin, arrives at the local inn of the English village of Iping, West Sussex, during a snowstorm. The stranger wears a long-sleeved, thick coat and gloves; his face is hidden entirely by bandages except for a fake pink nose; and he wears a wide-brimmed hat. He is excessively reclusive, irascible, and unfriendly. He demands to be left alone and spends most of his time in his rooms working with a set of chemicals and laboratory apparatus, only venturing out at night. While Griffin is staying at the inn, hundreds of strange glass bottles (that he calls his luggage) arrive. Many local townspeople believe this to be very strange. He becomes the talk of the village.Meanwhile, a mysterious burglary occurs in the village. Griffin has run out of money and is trying to find a way to pay for his board and lodging. When his landlady demands...
