Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.
(Derick Brekke)

Legend Press Ltd. Paperback. Book Condition: new. BRAND NEW, A Virtual Love, Andrew Blackman, For Jeff Brennan, juggling multiple identities is a way of life. Online he has dozens of different personalities and switches easily between them. Offline, he shows different faces to different people: the caring grandson, the angry eco-protester, the bored IT consultant. So when the beautiful Marie mistakes him for a famous blogger, he thinks nothing of adding this new identity to his repertoire. But as they fall in love and start building a life together, Jeff is gradually forced into more and more desperate measures to maintain his new identity, and the boundaries between his carefully segregated personas begin to fray. In a world where truth is a matter of perspective and identities are interchangeable, Jeff finds himself trapped in his own web of lies. How far will he go to maintain his secrets? And even if he wanted to turn back, would he be able to?.
