MEN AND METHODS: THAT WIN IN THE FOREIGN FIELDS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Men and Methods: That Win in the Foreign Fields The greatest task confronting the Christian forces is making known the glad tidings unto all the world, disciple the nations as our Master commanded. Christianity has too long looked at the task with the hesitating attitude. Until we are ready to enter fully into the Lord s plan of conquest, we must suffer and struggle in vain against the forces of materialism and other enemies of success in our home churches. Unquestionably the Master s challenge comes to every child of the Father to give himself completely for the conquest of the nations. We cannot expect the kingdom of this world to become the kingdom of our Lord and Christ until this is done. The world battle depends primarily upon the men and women who yield themselves absolutely for this conflict. The indwelling Christ in the temples of the Holy Spirit ever remains the ultimate hope of victory. Our chief concern for this and all ages is the kind of labourers who go forth as ambassadors for Christ. In the mission fields where least has been accomplished and the non-Christian forces are most firmly entrenched, the most difficult battles must be fought, hence we need for these fields the very best trained and most effective workers.
