Filesize: 6 MB

Reviews

This publication is definitely not simple to begin on studying but quite fun to see. It really is full of knowledge and wisdom I am just effortlessly can get a satisfaction of studying a created pdf.
(Alfreda Bradtke)

COLD WAR: FOR FORTY-FIVE YEARS THE WORLD HELD ITS BREATH

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Cold War: For Forty-five Years the World Held Its Breath, Jeremy Isaacs, Taylor Downing, Cold War is the story of the half-century since the end of the Second World War - the story of our lives. Its framework is the confrontation, military and ideological, between two great powers that dominated the world during these years. It is a story of crises and conflict on a global scale: from the Berlin Blockade and the Cuban Missile Crisis, to the tanks in the streets of Warsaw, Budapest and Prague, to spies, student riots and encounters in space. In Cold War, Jeremy Isaacs and Taylor Downing record epic history through the detail of individual human experience: the recollections not only of statesmen whose decisions led to these momentous events, but also of the ordinary men and women whose lives were bound up in these years of conflict. Cold War is the first comprehensive history for the general reader to benefit from the recent opening of Soviet, East European and Chinese archives as well as formerly classified American documents. In a driving narrative that is both gripping and informative, the true story of the Cold War can at last be told.
