Scholastic Press, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for Bailey *"Deceptively simple cartoon illustrations belie the brilliance of the story. How the pup manages the everyday classroom occurrences makes this picture book perfect." - School Library Journal , starred review "While the straightforward sentences tell of a day in the life of a school dog, its the pithy speech and thought bubbles that really bring on the giggles." - The Horn Book "Bailey is the kind of large-size picture book that feels instantly appropriate for both preschool jitters at home and circle time in class come September. Therefs plenty of humor, but the book is free of the snark that has been insinuating itself into school-related stories, even those aimed at very young children." - The New York Times online.
