Schiller s Philosophical Letters by Friedrich Schiller. The reason passes, like the heart, through certain epochs and transitions, but its development is not so often portrayed. Men seem to have been satisfied with unfolding the passions in their extremes, their aberration, and their results, without considering how closely they are bound up with the intellectual constitution of the individual. Degeneracy in morals roots in a one-sided and wavering philosophy, doubly dangerous, because it blinds the beclouded intellect with an appearance of correctness, truth, and conviction, which places it less under the restraining influence of man s instinctive moral sense. On the other hand, an enlightened understanding ennobles the feelings, the heart must be formed by the head. The present age has witnessed an extraordinary increase of a thinking public, by the facilities afforded to the diffusion of reading; the former happy resignation to ignorance begins to make way for a state of half-enlightenment, and few persons are willing to remain in the condition in which their birth has placed them. Under these circumstances it may not be unprofitable to call attention to certain periods of the awakening and progress of the reason, to place in their proper light certain truths and errors, closely connected with morals, and calculated to be a source of happiness or misery, and, at all events, to point out the hidden shoals on which the reason of man has so often suffered shipwreck. Rarely do we arrive at the summit of truth without running into extremes; we have frequently to exhaust the part of error, and even of folly, before we work our way up to the noble goal of tranquil wisdom....
