Indepenpress Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, The North Beyond: Part 1: Numirantoro, P. M. Scrayfield, When errors of the past are forgotten, when lessons from history are not learnt - then mistakes are repeated, bringing the world once more to the brink of ruin at the hands of those who call it home. The North Beyond is a tale of three countries, two races, one destiny. Three countries that slip gradually into war they could have prevented; two races estranged by loss of belief and trust. One destiny: for all inhabit this earth, and its ruin will be their ruin. But there is always hope, if men know where to find it. Were the Starborn simply a myth? Or were they driven from the world by some deed of men and if so, could they ever return? While Arval seeks an answer, Numirantoro discovers the bitter truth of the old saying: be very careful what you wish for. As the gloom deepens and Vorynaas makes a dreadful vow in the darkness of his heart, Arval is left almost alone to endure, to hold the torch of hope aloft, to wait - The North Beyond: a story of two dimensions, one world. Or is it one dimension, two worlds? Is it truth or legend, history or fantasy, past or future? Only those who tread its long road north, the road that leads to the north beyond, can say. The North Beyond is published in four volumes: Part 1 : Numirantoro Part 2 : Maesrhon Part 3 : Haldur Part 4 : Artorynas.
