

## Armageddon s Children

Filesize: 4.76 MB

### ***Reviews***

*A whole new eBook with an all new standpoint. It is actually rally fascinating through reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).*  
*(Claire Bartell)*

## ARMAGEDDON S CHILDREN

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Terry Brooks is one of a handful of writers whose work defines modern fantasy fiction. His twenty-three international bestsellers have ranged from the beloved Shannara series to stories that tread a much darker path. Armageddon s Children is a new creation - the perfect opportunity for listeners unfamiliar with Brooks s previous work to experience an author at the height of his considerable storytelling powers. It is a gripping chronicle of a once-familiar world now spun shockingly out of control, in which an extraordinary few struggle to salvage hope in the face of terrifying chaos. Logan Tom is doomed to remember the past and determined to rescue the future. Far behind him lies a boyhood cut violently short by his family s slaughter, when the forces of madness and hate swept our world after decadent excesses led to civilization s downfall. Somewhere ahead of him rests the only chance to beat back the minions of evil that are systematically killing and enslaving the last remnants of humanity. Navigating the scarred and poisoned landscape that once was America and guided by a powerful talisman, Logan has sworn an oath to seek out a remarkable being born of magic, possessed of untold abilities, and destined to lead the final fight against darkness. Across the country, Angel Perez, herself a survivor of the malevolent death-dealing forces combing the land, has also been chosen for an uncanny mission in the name of her ruined world s salvation. From the devastated streets of Los Angeles, she will journey to find a place - and a people - shrouded in mystery, celebrated in legend, and vital to the cause of humankind . . . even as a...
